

Military Performer: F-16 Demo Team “Viper West”: \$4,000 Includes Heritage Flight

About the act: One of our 2008 performers, “Viper West” is a single-ship F-16 demonstration team that comes to us from Hill Air Force Base in Utah.

Few acts are more exciting than the roar of the F-16’s 27,000 lbs. of thrust flying by the crowd at nearly 600 miles per hour. The team puts on an impressive show with roughly 20 minutes of flying which details the F-16’s ability in the air.

Jeff “Hefe” Anderson, the team’s superintendant, is a Michigan native from Muskegon.

Once the F-16 has finished its’ maneuvers, it will be joined in the air by a “Heritage Flight”. The Heritage Flight consists of a warbird that formerly served the US Air Force. To see the two aircraft circling the crowd is a moment you won’t soon forget.

Pricing for the F-16 Demo Team:

Rooms for the Demo Team: \$2,100

Fuel for Heritage Flight: \$1,500

Three Vehicles: \$400

Total cost for act: **\$4,000.00**
